Yes please, if I leave in a few minutes and get through traffic I might have some quality time to spend with my son.

I hope that someday you can realize that you took your zealous advocacy too far. Don't take this the wrong way, but federal court is small and close-knit. While I'm a forgiving person, I really worry what will happen to you when you ask for a deadline from someone when you've failed to give them a professional courtesy.

Dan Edelman would have handled this differently.
